PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Cobden Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Cobden Primary School is located in a rural township of 1800 people. Cobden is situated in South West Victoria amid Australia's fastest growing dry dairy farming region. The township is ideally situated only twenty-five minutes from the Great Ocean Road, Port Campbell National Park and the world famous Twelve Apostles.

Cobden is approximately two and a half hours west of Melbourne and forty minutes east of Warrnambool. The town provides a small shopping centre with a range of shops. Cobden offers a wide range of sporting and recreational facilities which, include, a golf course, miniature trains, tennis courts, football, netball, cricket and bowling clubs, a newly designed skating ramp and lakes providing a range of water sports.

Secondary education is provided by the Cobden Technical School. Nearby Camperdown and Mercy Colleges provide alternative choices. Tertiary education is available at Warrnambool Deakin University, South West TAFE and Melbourne University, Glenormiston Campus.

Health services in Cobden include: General Practice Medical Clinics, Allied Health Services, Accident Emergency Facilities, Aged Care Facilities and Health, Maternal and Child Care Centres.

Fonterra Foods Limited and related dairy services provide ample employment opportunities. Tourism and the introduction of natural gas in the surrounding area facilitates additional employment.

Cobden Primary School has a current enrolment of 162 pupils. Programs and Restorative Practices reflect the school's commitment to student welfare. The school's values of Care, Respect and Excellence provide an environment where all children are encouraged to become responsible, co-operative members of the community.

The school currently has two departments under the leadership of co-ordinators. The department teams plan and evaluate programs, which enhance student learning.

The school has a commitment to consultation with all members of the school community and to democratic decision-making. There are close links with the local kindergarten and secondary schools. Parents play a supportive and active role within the school.

Cobden Primary has acquired the local RSL Hall, which is adjacent to the school. This is used as a multi-purpose facility for PMP, and other school and community activities.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially

2. School values, philosophy and vision

Cobden Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of care, excellence and respect at every opportunity.

Our school's vision is:- All students are empowered to learn and achieve, experiencing high quality teaching practice and the best conditions for learning which equip them with the knowledge, skills and dispositions for lifelong learning and shaping the world around them.

Our Statement of Values is :- Cobden Primary School recognises the importance of the partnership between schools and parents to support student learning, engagement and wellbeing. We share a

commitment to, and a responsibility for, ensuring inclusive, safe and orderly environments for children and young people.

This Statement of Values sets out our behavioural expectations of all members in this school community, including the Principal, all school staff, parents, students and visitors. It respects the diversity of individuals in our school community and addresses the shared responsibilities of all members in building safe and respectful school communities.

Discrimination, sexual and other forms of harassment, bullying, violence, aggression and threatening behaviour are unacceptable and will not be tolerated in this school.

Our Statement of Values acknowledges that parents and school staff are strongly motivated to do their best for every child. Everyone has the right to differing opinions and views and to raise concerns, as long as we do this respectfully as a community working together.

3. Wellbeing and engagement strategies

Cobden Primary School has developed a range of strategies to promote engagement, an inclusive and safe environment, positive behaviour, and respectful relationships for all students in our school. We recognise the importance of student friendships and peer support in helping children and students feel safe and less isolated. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

 - *with other complex needs that require ongoing support and monitoring.*

4. Identifying students in need of support

Cobden Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance

student wellbeing. Cobden Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- *personal, health and learning information gathered upon enrolment and while the student is enrolled*
- *attendance records*
- *academic performance*
- *observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation*
- *attendance, detention and suspension data*
- *engagement with families*

5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, racism, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints Policy.

6. Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Statement of Values/Student code of conduct.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with Cobden Primary School and will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Cobden Primary School will institute a staged response, consistent with the Department's policies on behaviour,

discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- *warning a student that their behaviour is inappropriate*
- *teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour*
- *withdrawal of privileges*
- *referral to the Year Level Coordinator*
- *restorative practices*
- *detentions*
- *behaviour support and intervention meetings*
- *suspension*
- *expulsion*

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Cobden Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited by law and will not be used in any circumstance at our school.

7. Engaging with families

Cobden Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school website

- maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students.

8. Evaluation

Cobden Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21, including attendance and absence data
- SOCS

Cobden Primary School will also regularly monitor available data dashboards to ensure any wellbeing or engagement issues are acted upon in a timely manner and any intervention occurs as soon as possible.
